To Empower and Strengthen the Capacity of Person with Disabilities in Asia and the Pacific Region

Promoting International Commitments

- United Nations Convention on the Rights of Persons with Disabilities (UNCRPD)
- Incheon Strategy To “Make the Right Real” for Persons with Disabilities in Asia and the Pacific
- United Nations Sustainable Development Goals (SDGs)

Foreword

Asia-Pacific Development Center on Disability (APCD) is a regional center on disability and development. It promotes various international instruments such as the United Nations Convention on the Rights of Persons with Disabilities (UNCRPD), Incheon Strategy to “Make the Right Real” for Persons with Disabilities in Asia and the Pacific as well as the United Nations Sustainable Development Goals (SDGs).

APCD was endorsed by the Economic and Social Commission for Asia and the Pacific (ESCAP) as a regional cooperative base for its Biwako Millennium Framework for an inclusive society in the Asian and Pacific Decade of Disabled Persons, 2003-2012, and its Incheon Strategy to “Make the Right Real”, 2013-2022.

In 2020, we were confronted with the COVID-19 global pandemic. However, APCD collaborated with governments, non-government, community and business organizations at the domestic and international levels. APCD utilized, mobilized, and maximized our resources to implement projects with key partners through virtual platforms and face-to-face cooperation. The achievements are shared in this report.

This APCD Annual Report 2020 has been prepared to promote key international instruments through the relevant approaches: Community-based Inclusive Development (CBID), Disability Inclusive Business (DIB), Disability Inclusive Sports (DIS) and Disability Inclusive Disaster Risk Reduction (DIDRR) during the period of 2020.

On behalf of APCD, I would like to express our sincere appreciation to all our partners for your continued support towards our common future goal: the empowerment of persons with disabilities in an inclusive and barrier-free society in Thailand and all the countries of the Asia-Pacific region.

Dr. Tej Bunnag

President

Foundation of Asia-Pacific Development Center on Disability
Bangkok.

BACKGROUND

The Asia-Pacific Development Center on Disability (APCD) is a regional center for disability and development in Asia and the Pacific. APCD was established in Bangkok by Thai cabinet resolution on 31th July 2001 as a legacy of the Asian and Pacific Decade of Disabled Persons, 1993-2002, with the joint collaboration of the Ministry of Social Development and Human Security (MSDHS), the Royal Thai Government, and the Japan International Cooperation Agency (JICA), Government of Japan.

APCD was endorsed by the United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP) as a regional cooperative base for Biwako Millennium Framework for an inclusive, barrier-free and rights-based society for people with disabilities in the Asian and Pacific, 2003-2012. ESCAP also identified APCD as the regional center on disability and development for the Incheon Strategy to Make the Right Real, 2013-2022.

APCD is currently managed by the Foundation of Asia-Pacific Development Center on Disability (APCD Foundation) which was implemented under the patronage of Her Royal Highness Princess Maha Chakri Sirindhorn since 16th April 2007. The cabinet also approved APCD to be the under supervision of the Ministry of Social Development and Human Security (MSDHS) on 7th August 2007.

During the past 20 years, APCD trained more than 7,000 persons with disabilities and stakeholders in the Asia-Pacific region through different training courses. Furthermore, APCD has strongly committed to cooperate with more than 30 countries for the organizing of disability and development programs and activities.

MISSION

To build the capacities of persons with disabilities and Disabled People Organizations (DPOs) as 'Agents of change' especially focusing on Community-Based Inclusive Development (CBID) and Disability-Inclusive Business (DIB)

VISION

A barrier-free, rights-based, and inclusive society for persons with disabilities through the empowerment of persons with disabilities and disabled people's organizations (DPOs) in the Asia-Pacific region.

APCD commits to promote United Nations Convention on the Rights of Persons with Disabilities (UNCRPD), Incheon Strategy to “Make the Right Real” for Persons with Disabilities in Asia and the Pacific, and United Nations Sustainable Development Goals (SDGs).

MAIN ACTIVITIES

Capacity Building and Training

Training or capacity building activities for persons with disabilities, parents of children with disabilities, and staff who are working with persons with disabilities is our main mission. We believe that persons with disabilities and relevant persons who were trained through the program of capacity development will be ‘Agent of Change’ in their community and society. Meanwhile, the effective trainings will empower persons with disabilities and stakeholder to have knowledge, skills, and positive attitude to work in disability and community development.

Networking

Networking and collaborations is the significant mission of APCD. We believe that the key success factor to move disability and development programs is to create a win-win situation and to share resource among each other. APCD is the Secretariat of various networks in the region. It strengthens sustainable networking towards the future.

Information, Knowledge Management and Publications

Information Knowledge Management and Publication is one of our missions to ensure effective communication, codifying knowledge and experiences to share expertise through various channels, especially social media.

Disability-Inclusive Business

APCD also promotes Disability-Inclusive Business (DIB) as a strategy in the sustainable development of quality of life of persons with disabilities. Furthermore, the concept of Inclusive Entrepreneurship (IE) is the next step to be implemented.

APCD as Network Secretariat

Community-based Rehabilitation Asia-Pacific Network (CBR AP Network)

APCD has been the Secretariat of Community-based Rehabilitation (CBR) Asia-Pacific (AP) Network since 2009. The first Asia-Pacific CBR Congress was held in Bangkok, February 2009. One outcome of the Congress was the initiation of the CBR AP Network. The latest role of APCD regarding this network was to develop a collaboration with the Government of Mongolia, CBR AP Network and stakeholders to organize the 4th Asia-Pacific Community-Based Inclusive Development Congress 2019 in Ulaanbaatar, Mongolia on 1-4 July 2019. There were 683 participants from 43 countries who participated in this congress. These numbers included 165 overseas participants and 518 domestic participants.

Another outcome of the Congress was that the Royal Government of Cambodia will host the 5th Asia-Pacific Community-based Inclusive Development Congress in 2023. APCD will also hand over and transfer the secretariat tasks to the next host.

Currently, the CBR AP Network is on Review Process, reviewing the re-activation and re-structuring mechanism, coordination, communication systems, as well as re-engagement of the participation of network members.

ASEAN Autism Network (AAN)

ASEAN Autism Network (AAN) is a network of parent support groups of 10 ASEAN Member States namely Brunei, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, Philippines, Vietnam, Singapore, and Thailand. A core concept of the network is 'Family Comes First'.

ASEAN Autism Network which was facilitated and established by APCD in 2010, was recognised as a strong and active network in which APCD played secretariat role. AAN was formally endorsed and accredited as Entity Associated with ASEAN on 15 July 2020. The network is currently moving towards sustainability, self-reliance, and being an autonomous network.

In the 5th AAN Congress via online platform on December 2020, hosted by National Autism Society of Malaysia (NASOM), AAN Chairmanship was handed over from Indonesia to Malaysia. The AAN Secretariat office was handed over from APCD, Bangkok to London School Centre for Autism Awareness (LSCAA), Jakarta, Indonesia under ASEAN Autism Network Foundation as Legal Registered Foundation in Indonesia.

ASEAN Autism Network was started from an informal network to a formal entity with outstanding results after a decade of APCD and its networking and collaborations to build up a network for future strength, sustainability and self-reliance. The network is further working as an important platform for Children with Autism and their parents.

Asia-Pacific Federation of the Hard of Hearing and Deafened (APFHD)

Asia-Pacific Federation of the Hard of Hearing and Deafened (APFHD) is a regional network of formal and non-formal organizations of hard of hearing and deafened people in Asia and Pacific region. The Federation was facilitated and initiated in 2012 by APCD.

Currently, Federation members consist of representatives who are hard of hearing and deafened from Bangladesh, Cambodia, Indonesia, Japan, Lao PDR, Mongolia, Myanmar, Nepal, New Zealand, Pakistan, the Philippines, Papua New Guinea, and Vietnam. The Federation is actively working on an international and global level such as at the World Hearing Day (WHD) 2019 event.

United Intellectual Disabilities (ID) Network in the Greater Mekong Sub-Region

Sub-Region was established on 4-5 September 2013, in a workshop on “Self-Advocates with Intellectual Disabilities in the Greater Mekong Sub-Region” organized by Dao Ruang Group (Self-Advocate Group of Persons with Intellectual Disabilities in Thailand), the Association for Persons with Intellectual Disability of Thailand, and Asia-Pacific Development Center on Disability (APCD) in collaboration with the Ministry of Social Development and Human Security of Thailand, the Inclusion Japan and Japan-ASEAN Integration Fund (JAIF).

The Workshop was attended by 98 participants representing persons with intellectual disabilities and their family members in the Greater Mekong Sub-Region, specifically Rose Group of Cambodia, Talent Group of Lao PDR, Future Star Group of Myanmar, My Future Group of Vietnam, and Dao Ruang Group.

The Network mission focus is on development of self-help groups and advocates for the rights of persons with intellectual disabilities, with regular meetings both on national and sub-regional level.

Publications of APCD are available on the APCD website
